

## **A BLANK CHECK FROM GOD (1 Kings 3:5-14)**

### **I. Solomon looked backward (vs. 6).**

- A. Solomon first talked about his father David.
  - 1. He pointed out how God had treated David.
  - 2. He then pointed out why God treated David in that manner.
- B. David was one who relied upon God's word for guidance.
  - 1. Solomon said he walked in truth and righteousness.
  - 2. We know David was not sinless.
  - 3. However, David was one loved God and desired to do God's will and was penitent when he did sin.
  - 4. He was so much so that Paul preached that God said he was a man after His own heart (Acts 13:22).
- C. While David was by no means a perfect parent, he was one who set a good spiritual example for his son.
  - 1. Notice his words to Solomon before he died (2:1-3).
  - 2. He urged his son to be faithful to God.
  - 3. And, at first, this was exactly what Solomon was.
- D. Solomon was one who obeyed God and feared God in the beginning of his reign.
  - 1. It was after he had aged some that he turned away from God.
  - 2. 1 Kings 11:4).
- E. If you were approached by God with this offer, who in your past would affect that answer you would give God?
  - 1. Are we surrounding ourselves with good role models?
  - 2. We need to make sure the company we keep will help us make good decisions.
  - 3. God is not going to come to us with this type offer, but we have choices to make every day that affect our souls.
  - 4. Good people will help us make good decisions and bad people will help us make bad one's.
  - 5. Simple but true (1 Corinthians 15:33).

### **II. Solomon looked inward (vs. 7).**

- A. Solomon was a realist about himself.
  - 1. He knew he did not have the experience he really needed.
  - 2. He was young and dumb as we might say, but smart enough to realize that, which many are not.
- B. The phrase, go out or come in, carries the idea of leadership before the people of Israel.
  - 1. He knew he lacked the leadership skills necessary to do a good job.
  - 2. He was one who was not over-confident, but honest about himself.
- C. It reminds us of Gideon, who was very humble when given the challenge of defeating the Midianites.
  - 1. He said he was the least in his father's house.

- 2. He felt he was not prepared to lead.
- D. Humility will take us far in life.
  - 1. It causes us to depend on God.
  - 2. It allows us to be blessed by God.
- E. When we have the attitude of a know-it-all, we are going to fall (1 Corinthians 10:12).

### III. **Solomon looked outward (vs. 8).**

- A. Solomon was well aware of how great a people the Israelites were.
  - 1. He knew they were chosen by God to be His people.
  - 2. The number of them could not be told by anyone because there had been no count made.
  - 3. The one begun by Joab for David was an incomplete one.
- B. Solomon did not dodge the responsibility of leading this great nation, but was honest enough to admit he needed help.
- C. Many times, we as humans will not admit we need help.
  - 1. We don't want to be dependent on anyone else.
  - 2. Many times we don't want to be dependent upon God.
- D. We have a great task before us - to get to heaven.
  - 1. The world we live in is against us in this.
  - 2. The moral decay around us proves this.
  - 3. However, if we will look to the right Person and the right place, His word, we can make it to heaven and take people with us.

### IV. **Solomon looked upward (vs. 9).**

- A. Solomon asked for wisdom to rule God's people.
  - 1. What a tremendous request.
  - 2. Of all the things he could have asked for, he asked for the most needed thing.
- B. This greatly pleased God and caused God to bless him with things for which he did not ask (vs. 10-14).
- C. Those of us who have children have experienced them trying to do something on their own that was too hard for them to do.
  - 1. Most of the time they would go at it for a while without asking for help.
  - 2. They would even refuse the help offered to them.
- D. How many times have we done that to God?
  - 1. We try to handle things that are above our pay grade so to speak.
  - 2. We don't turn to God until we have become exasperated with the whole thing.
  - 3. Even then, sometimes we turn to other things besides God, when God is patiently waiting for us to turn it over to Him.
